Soil : argile - calcaire

Blend : 50% chardonnay – 50% pinot noir

Vinification : partially in oak barrels

Dosage : 7 g/l

Harvest : 2020

Vines on limestone soils in the village of Ferebrianges.

We are constantly seeking the expression of our terroir through viticulture that respects nature.

Vinification and aging on lees, partially in 228L barrels. For this harvest, a 36-hour maceration was carried out, with 50% 100% destemmed Pinot Noir and 50% crushed Chardonnay. The idea was to blend the two in the maceration tank to allow the Pinot Noir to gently color the Chardonnay.

The Chardonnay brings finesse and floral notes to this vintage.
